A student who pursues a second M.Ed (new/different plan code) will receive a second diploma and is eligible for financial aid.

A student who has completed an M.Ed. on the academic transcript and pursues an additional subplan under the same M.Ed (one plan code) will receive one diploma for the M.Ed. and multiple subplans will be listed on the transcript; the student is not eligible for financial aid for the second subplan.

The only two post-bac program categories that are NOT financial aid eligible are the post-bac certificates and the "additional licensure other." The "additional licensure other" includes the following licenses/subplans:

Adult Basic Education
School Counseling K-12
Director of Community Ed
Director of Special Education
Early Childhood Special Educ
Parent and Family Education
Principal K-12
School Psychologist
Superintendent
